STAY & SAIL

Already quite a few boats have made plans to come and sail at the coming AGM and that was just what the organizing committee had in mind; bringing back the focus on the boats! Therefore I thought it's time to organize again a "Stay&Sail". Some might remember that we did that during the event in the USA and also during our very first AGM outside the UK: in the Veerhaven in Rotterdam. Although that was during a sunny weekend, it was mid winter and our chairman Terry almost froze to death! Luckily we had Olin sleeping at the house of Hans Ketterings parents. But since it is in the summer it would be very nice and could be lots of fun to host guests from abroad or members living away from Amsterdam. I myself have very good memories from sleeping on board at meetings abroad; I made lots of friends and slept in very comfortable cots! At one time I had a very nice stay on board Cresta, except that during a rain shower it turned out to be wetter inside my cot than outside, but it did not keep us from winning the (fun) race! In order to get no wrong feelings, we intent to put a fixed price tag of €25,- per person per night to cover harbor fees, morning coffee or washing cost of sheets, whether the captain/host wants it or not!

If you are willing to offer some cots or like to sleep on board of one of the attending boats, give me an email and I'll try to get you together.
